Principal:

It's hard to believe this is our last week of school before spring break. We have been very busy since Christmas Break and we have also had many indoor recesses in the last month. Our students are looking forward to spring break. Please take the time to rest, relax and enjoy friends and family over spring break. Hopefully, most if not all of the snow will be gone when we return April 3rd and we will be able to spend more time outside. Thank you for all the support you continue to give to Heritage Hills Elementary.

This is the last week to complete the Feedback Survey.

Have your say! EIPS' 2023 Annual Feedback Survey is now open until March 23.

Elk Island Public Schools (EIPS) wants to hear from you. Make sure to complete the 2023 EIPS Annual Feedback Survey: For parents and caregivers.

Every year, EIPS conducts the feedback survey to gauge its progress toward meeting the goals and priorities outlined in its [Four-Year Education Plan](#). Families are asked a series of questions about their experiences with EIPS and the school their child attends, the overall performance of the Division, the quality of education being provided to students and areas for improvement. The survey input helps the Division develop new strategies to better serve students and the wider community.

[Visit EIPS.CA to take the survey: March 1-23](#)

You can also review Heritage [Hills Elementary School Education Plan](#) as well as our [Mid-Point Review](#) that highlights some of the things that have already happened at HHE this school year.
