Principal:

Hope you enjoyed a great long weekend. It was a little wet but it was a great opportunity to recharge for the last days of the school year and spend some time with family and friends. This is a short week at Heritage Hills Elementary but we do have a lot going on at the school this week. We do have our last book fair of the school year this week, see below for more details. Art Night is on Wednesday after school and we have our ECS meeting for new parents on Thursday. Hope you enjoy a great week.

Counsellor:

Red Shirt Day takes place on **May 29**, the Wednesday of National AccessAbility Week. Red Shirt Day is when people across Canada come together and wear red in schools, workplaces and spaces everywhere to create a visible display of solidarity and show their support for persons and families who are living with disabilities.

Onyx Counselling and Psychology's free 4-part educational series aims to educate viewers about the significance of psychological assessments, their process, benefits, and the support services available, offering valuable insights for individuals, parents, and students alike.
